Hang on – have we missed Chinese New Year? If not, this'd make a pretty good way of marking it. "Yes, you have missed it - it was back in February! Still, I love Chinese stuff all year round, which is why I've brought my special silk dragon robe!" It's very fetching, but doesn't having the whole place kitted out Chinese style put people off a bit –unless they're Chinese, of course! "Not once they get stuck into my prawn cracker!"

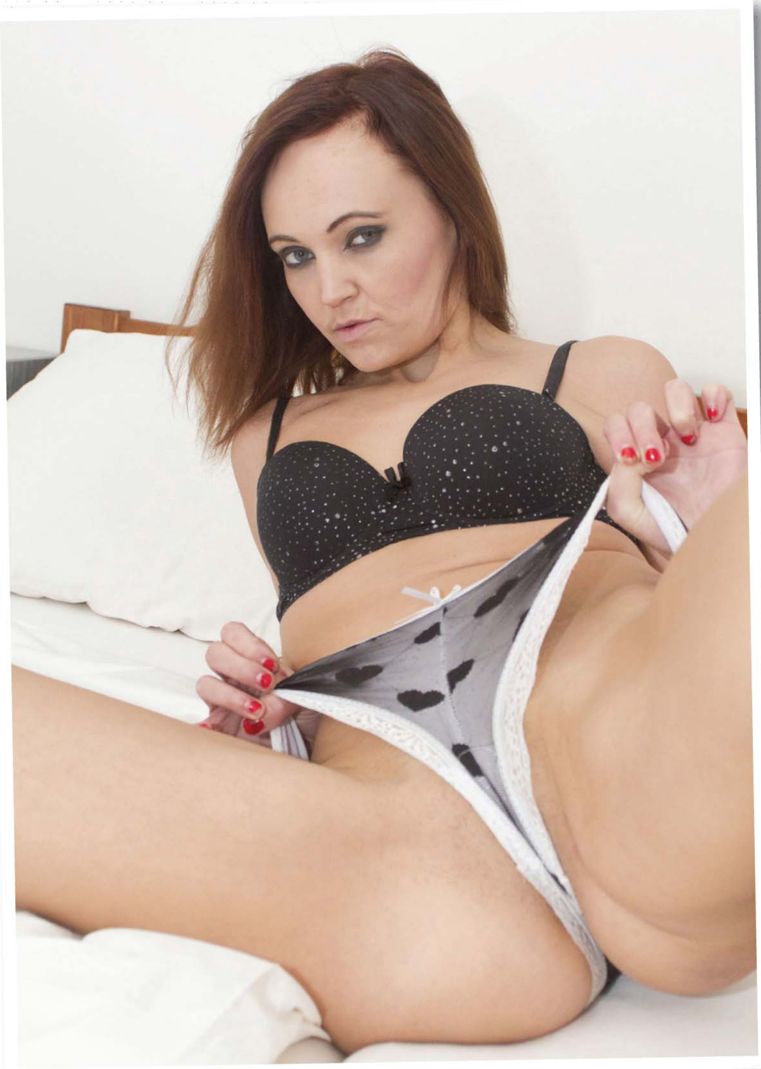
# THE BETIME HORLICKS



No matter how tired I am after work, my bi girlfriend always gets me hard.

Last week she surpassed herself, coming home when I was in bed and waking me up to fondle my cock.

Then she called out:

"Come in!"

The bedroom door opened and this gorgeous black girl peeked in.

Heather said her name was Tara and if I thought she looked good, I should wait until I got a taste of her pussy.

I reckoned they must want me to sort myself out, so I reached down for my cock – only for Heather to brush it away and say they'd take care of it later.

They lay down at the foot of the bed and began sucking cunt, my stiffy getting harder and aching in sympathy, like it was being sucked, too.

I didn't dare touch myself now till they were ready for me.

I think the definition of sexy when it comes to girl-on-girl is the sixtynine.

Nothing they can do to each other turns me on more.

And seeing Tara's golden body stretched out over my girlfriend's was the ultimate.

Every so often, one or even both of them would make eye contact, and it was all I could do not to lose my load every time.

Now Heather asked me to pass her vibrator from the bedside drawer, and

Tara assumed the position, with her arse directly in my line of sight.

Heather didn't mess around – she switched the vibrator on full, and played the very tip of

> **"I saw her body buck once more as Heather pulled the vibrator from her cunt."**

it lightly up and down Tara's slit, pressing just a tiny bit harder as it moved over her clit.

Already juiced up and puffy from her licking, Tara moved her hips around, sighing as Heather slipped the toy in deeper.

Then as Heather started to fuck her with it, she bowed her head and started to lick Tara's clit again, using her tongue on it to the same rhythm as her strokes.

It was obvious Tara was close to cumming.

Her body thrashed about on the bed, suddenly stiffened and arched, and then trembled as she came, her moans building up to screams of pure pleasure.

I saw her body buck once more as Heather pulled the vibrator from her cunt. Then Heather sucked it clean and used it to frig herself to an almost immediate orgasm.

Now Heather moved up the bed and, as the two girls lay, one on each side of me, they each started licking down one side of my shaft.

As they got more passionate and sloppy, it looked and felt like they were French-kissing each other around my prick, all wet tongues.

Then, suddenly, Tara took my helmet in her mouth, and Heather bowed her head to lick my balls. Either sensation would have felt incredible, but having it done both at the same time just blew my mind, and every nerve in my crotch.

As my nuts seized up, Heather licked up my shaft to my head, and once I'd spunked into Tara's mouth, she let it collect so she could share it with my horny girlfriend in another deep kiss...

This On holiday last month I'd had a bit of a skinful but I decided to stop in at a bar for one last drink on the way to my hotel. But when I sat down with my drink I realised with shock it was a knocking shop.

I drank up and left, but I was curious so I sat on a bench across the road outside so I could observe people going in and out.

Soon a bloke came out and sat next to me. He told me he'd rather fuck me than any of the girls in the brothel. He was handsome and had a big bulge in his trousers.

I was up for doing it right there on the bench. He started kissing me and I put my hand down his pants to feel his big cock.

I could hardly get my hand round it!

He opened my legs and rubbed my wet, knickerless pussy.

He slid two fingers inside and started to frig me.

My juices were flowing and there was a small puddle beneath the bench.

It wasn't long before I came all over his fingers.

I needed some cock inside me, so I pulled his jeans down and gave his cock a long, wet suck. Then I told him to shag me.

I lay back on the bench and he slipped his cock up me and began to fuck me really hard. After a few hot minutes, he said he was going to cum.

Pulling out, he shot his seed all over my stomach and tits. I scooped up the cum and licked my fingers clean, feeling like a total tart!

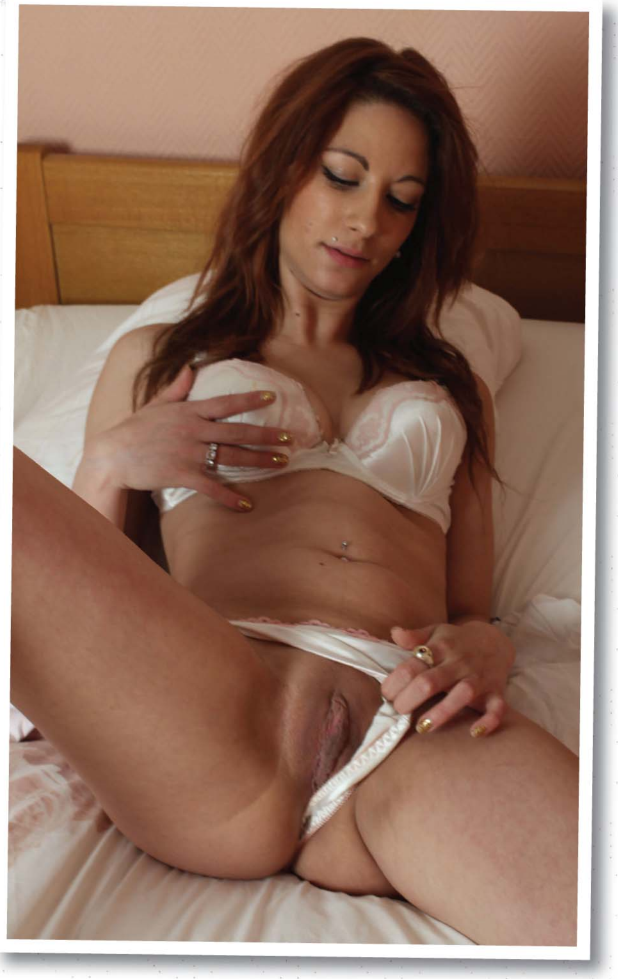
# TIME TO SETTLE



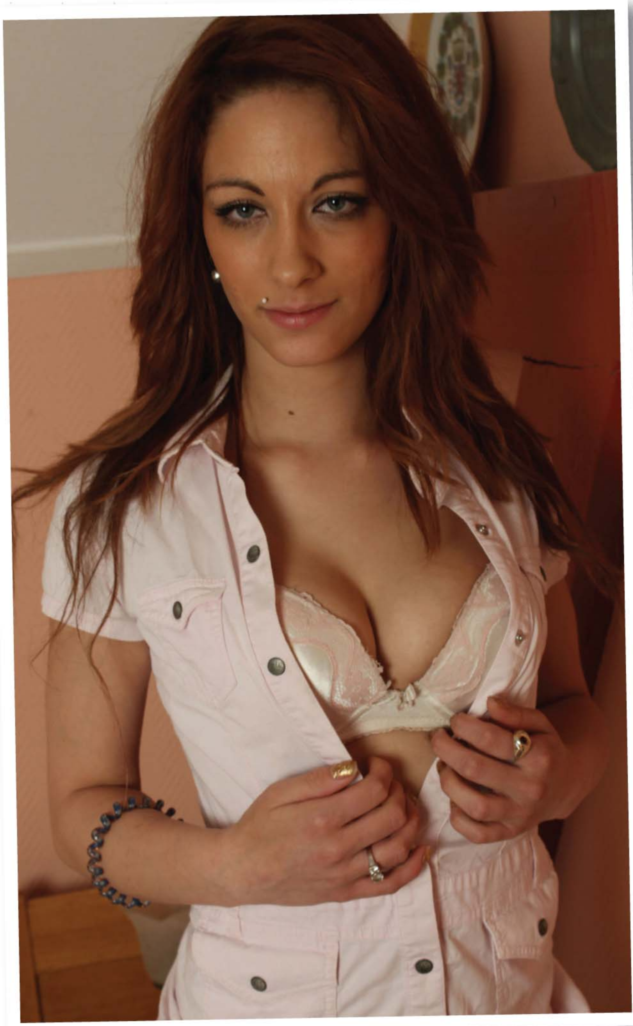
We recently celebrated our silver wedding anniversary and my husband Phil booked us a cottage in Settle for a few days as his present to me.

The evening before our anniversary we went out to a local pub and I dressed up in my miniskirt, stockings and suspenders.

The pub was quite busy but I found an empty table and sat down while Phil got the drinks in.

I soon noticed two guys in their late fifties sat at a table across from us looking at my legs, so I teased them by crossing and uncrossing my legs. Each time my skirt rode up further until my stocking tops were on show.

I was getting fruity and after a few more drinks I suggested an early night to Phil, so we rushed off back to the cottage but not before I had given the guys a good view of my stocking tops, bare thighs and the fact that I wasn't wearing panties!



The next morning, I got ready to do a photo shoot in the woods leading up to the crag at the back of the cottage where we found a secluded spot. After putting down the travel rug, I started going though my repertoire of poses while Phil snapped away with the camera. Once we had finished, Phil got me to use my dildo and I was soon getting very wet as I plunged it in and out of my open fanny. Phil kept snapping away with the camera but I also noticed that he kept looking at some bushes just behind me and I'm sure I saw him signal to someone.

He asked me to get on my hands and knees with my bum high in the air and my legs spread, facing towards the bushes. Then he got a spare stocking out of a bag and said he wanted to blindfold me, like we had fantasized about sometimes in bed, so I went along with it and I was soon gasping as he pushed his finger into my tight bum hole while playing with my clit.

Then Phil told me a guy was watching from the bushes and wanking his big cock. I thought it was all part of his fantasy so I said: "Ooooh, how I would love his big cock up me!"

Phil called out: "Come on Chris, she's ready for you."

Then, stretching my cunt

> **"He stiffened even more and flooded my pussy with a big load of spunk."**

lips apart, I felt another pair of hands on my arse cheeks and the tip of a cock start to push itself slowly into my pussy. I gasped out loud at the thickness of it and started to protest but Phil said for me to enjoy it, as it was a surprise anniversary present.

Soon I was gasping with ecstasy as Chris started to pump into me with long hard strokes while Phil played with my clit.

I started shaking and sobbing as strong orgasms flooded my entire body and Chris pounded me with his lovely big cock. Soon, he stiffened even more and then flooded my willing pussy with a big load of spunk.

As his cock shrank inside me, he pulled out and Phil said I would lick and suck it clean for him.

So Chris stood in front of me and I took his cock in my hand and started to lick the cum off his bell-end. Being blindfolded made it even more erotic as I sucked him back to full erection while Phil lapped away at the spunk running out of my cunt. I sucked Chris off till he spunked down my throat while

Phil fucked me. Phil removed my blindfold and I recognised Chris as one of the guys I was teasing the previous night. Phil had arranged it when I had gone to the toilets in the pub.

I can't wait to see what he comes up with for next year's anniversary.

# PRESENT COMPANY

My boyfriend Jay and I decided that last Christmas we were going to be selfish fuckers. Literally!

We'd had one too many Christmases of being run ragged trying to keep other people happy – and wishing we hadn't bothered. Pleading poverty, we put a £10 cap on presents for close friends and family, and blew what we saved on champagne and gourmet nibbles. Then we spent the entire day lounging in bed, watching TV, shagging and enjoying our own sexy prezzies, like undies and toys!

After I'd given Jay a "bubbly blowjob", swallowing enough champagne to get nicely tipsy, he got me in position to drink some out of my snatch. The blood went to my head making me even dizzier, and Jay didn't so much drink it out of me as pour it over my crease and lap it up so it was fizzing against me.

I still had spunk inside me from our first fuck of the day, and that just made the champagne even more foamy – then he just handed me the bottle and drank his fill of the juices seeping out of me.

I was already moaning when he traced a fingertip around my arse, then remembered he'd bought me a buttplug – a clear one with sparkly glitter inside! It had come with some heavyduty lube, and slid so easily up my arsehole I thought it was just his finger.

Next he stuck my new dildo up my pussy, before handing it back flavoured with pussy juices and champagne, telling me to suck on it. It had a big, firm helmet that crammed my mouth full, and then Jay filled my pussy with his cock.

I don't even know what you'd call the position he got me into – some kind of cross between "piledriver" and yoga, according to Jay! He was screwing in at an angle and could easily reach my clit. But then I handed him this little pocket vibrator he'd got me as a (fishnet) stocking filler, and came almost instantly he touched me with it.

My head was spinning from the champagne – I felt like I might pass out. But instead, I just focused on what I was feeling in between my legs, and the climax just kept pulsing out in waves, shaking my body against Jay's.

And it wasn't long before Jay was cumming too. As he jizzed he grabbed the champagne and pulled his cock out, spunking then dripping more of it into my snatch, pounding back in so it fountained out and down over my tits and belly. I worked it in with my hands and had another taste, offering my fingers to Jay as well.

We had some of the best fucks ever – one time I was flat out on the bed and Jay just laid over me, slowly pumping his cock inside me with his hands under my flattened tits.

We didn't totally get out of the family visits, though delaying them for a few days made all the difference – we stayed so chilled out we were stress-proof!

***Raquel, Tunbridge Wells.***

"I'm hoping that your readers will take one look at me and get a stiffy on sight! I've got a whole load of places that they can stick their todger. In between my tits is a good place to start, then in my dripping wet pussy, followed by ramming it up my tight bum hole. And then I insist upon them finishing off deep down my throat!"

# TRUE CON

## DOING IT DOGGY STYLE!

Two horny bitches are brought to heel by a "dog whisperer" who seems to be more into pussy…

My flatmate Tessa and I recently adopted a rescue dog – a young Staffy, because our local pet shelter was crying out for homes for unwanted "status dogs". I think it's dreadful all those poor dogs that people get bored of or can't control. They're lovely animals really and what girl doesn't want a friendly face to welcome her when she gets back home. Tessa and I have both been single for a while and there was certainly no bloke around to jump up and start pawing us when we opened the front door, more's the pity.

Knowing that we'd have to leave him at home on the days we were at work, and wanting to be good owners, we decided to take him to obedience classes, and we soon found ourselves crushing big-time on Henry, the instructor! He was in his thirties and nothing special to look at, but he had a touch of the "dog whisperer" about him. There was just something powerful about watching a big, growling German Shepherd turn good as gold and wag its tail at a word from him!

Tact and discretion aren't Tessa's strong point. When one of the other dogs rolled over on its back to get its belly tickled, she said, "Wish he'd do that to me!" loudly enough that everyone heard.

"Down, girl!" he said, possibly used to that sort of thing! And when one of the dogs started licking its own genitals, she gave me a knowing look. "What bloke wouldn't like to be able to do that?" she grinned.

There was a bit more banter throughout the class, and at the end of it, a woman sidled up and told us that, although Henry acted charming, he'd actually screwed his way through more than a few owners in his time. Tessa thanked her for the heads-up, then said to me we should get in there quick before someone else did!

Tessa asked him over to ours on Friday "so the dog won't be left home alone".

She was her usual unsubtle self, dressed in tight jeans and a fitted tee – and a sparkly diamanté dog collar.

I think Henry started to wonder what kind of a nutter he'd pulled, then probably thought "a slutty one" and stuck around. Two slutty ones, actually. With a few wines inside me, I started flirting with him, asking if he thought he'd have us begging for it, as his bitches. He said he'd rather watch us do our own thing, then join in when the time was right.

Tessa and I undressed each other, me down to my heels and her to her collar. She was determined to do a bit of role play, so after snogging me and sucking on my tits, she dropped down to her knees and started sniffing my bum. I went along with it, and got on all fours, feeling her bury her face in my slit, panting then lapping away as loudly as she could.

Then, taking me totally by surprise, she started dry-humping me, like she was

# FESSIONS

fucking me doggie style. She didn't have a cock to put in me, obviously, but the sight of our tits bouncing and swinging, and her body frotting up against my arse had the effect she wanted on Henry.

He got up out of his chair and unzipped, wanking himself as he strutted over to us. Then he told Tessa "Sit!" – obviously just joking, but still in such a masterful tone of voice that she instantly obeyed him!

My cunt was aching like crazy as he caressed my clit and labia, ensuring I was wet. Then his dick touched up to my hole and he slammed inside, juices running down my thighs as it forced them out.

Tessa rolled over on her back, legs spread wide, blatantly frigging herself as we fucked. The sight of her with her hands all over her pussy got mine throbbing again, stroked by Henry's pumping cock. I groaned and started to cum only seconds before he did, feeling his spunk gush up against my tenderised walls.

Tessa was so lost in playing with herself, she ignored Henry's still-hard prick, now pulled out and held over her face. She came to when he wrung out the last drops, splashing them on her skin, though he wouldn't let her touch it. "Wait," he told her. Then he stuck a finger in my cunt and offered it to her to taste.

Seconds later, he had me sitting on her face, my own head buried in between her legs. She may have been hogging the load he'd shot up me, drinking it down in gulps, but her sweet pink pussy tasted delicious just by itself.

We took it slow, just keeping each other turned on while Henry recovered.

Eventually, he shuffled down, offering me his hardening cock to suck. I felt it stiffen against my tongue, swelling to fill my mouth, then I guided it into Tessa's frothing cunt.

I watched close-up as he gave her a reaming, pumping in then pulling so far back I saw the ridge below his helmet slip out. It was making her suck on me even harder, although she didn't let up when I caught it on the out stroke and helped myself to a couple of slurps on his juice-glazed shaft.

Then he was back inside her for the big finish, and I just stared, hypnotized as his meaty pole flashed in and out of her. Tessa was having trouble eating me now, breathing heavier and losing focus.

So I gave her clit a rub, seeing her pussy spasm around his shaft.

Now he started to cum, inside Tessa for the first few strokes, then I pulled him free, watching his spunk flow out all over her crotch, then licking more from his tip.

Once I'd cleaned her up, Tessa made a big thing out of going to check the dog was OK – there's more than one way to suck up to a bloke! But she got back to find Henry eating my arsecrack as I kneaded my own tits. Now she took over, ordering him to roll on his back, so I could ride his face while she got a throatful of his cock.

He was tonguing me to the root, drinking down my wetness while I watched her swallow every inch of his cock, rubbing his balls up against her chin. Then as he began to spurt yet again, I leaned forward and shared it with Tessa, kissing her around his shaft and lapping up the white stuff.

Man's best friend or what!

We've kept the classes up of course, and Henry rewards our good behaviour with plenty of screwing. For a dog trainer, he isn't half into pussy!

Sarah went down a storm when she was last in the magazine and it's not difficult to see why! "Clearly I'm a bit of a naughty girl and I've got a dirty mouth and mind to back it up. When it comes to fucking anything goes with me and you don't even have to ask nicely either, in fact you don't even have to ask at all, just do it!" Now that's our kind of girl!"

# SIZE QUEEN

A woman in Wigan responded to one of my ads on a casual sex site – she said she was interested in my dick measurement as I said I was quite well hung.

I drew around it stiff, scanned it and sent it back via email.

She got right back to me with a naked picture of herself, and she was dead keen to meet up, so we arranged to meet up in Coventry at a pub for a drink and something to eat before going to the B&B.

Francine was really easy to get along with and we were flirting freely by the time we were ready to eat. We hurried through dinner and headed to the B&B.

We signed in as Mr and Mrs Smith, which we both found funny, and went straight to our room. Francine – which was this babe's name – told me to sit on the bed and watch.

She slowly and seductively stripped for me, all the time telling me how much she wanted to feel my cock embedded in her pussy.

She wouldn't let me touch her yet though! Soon she was down to just bra and panties – I couldn't wait for her to be fully naked and feel her flesh against mine.

My cock was straining in my pants!

I grabbed her around the waist and buried my tongue into her cunt. She gasped as I found her clit, and her pussy juice started to flow over my tongue.

When my cock was finally released it was a relief – but not as great as feeling her warm, wet lips close around my helmet as she slowly took my cock into her mouth.

She bounced her head on my cock, and tugged at my balls, so that I could tell that she wasn't going to stop. She kept going until I jizzed over her tongue and lips.

She got off the bed and bent over the back of a chair.

I knew what I had to do, and my cock was up for more. I hardened myself up again by rubbing my cock over her wet pussy lips, and when I was stiff enough I sunk my cock in to the nuts!

I started to fuck her, and found that she liked to control the pace. She started really slow at first, ever-so-slowly building up pace. I dug my dick in deep as she wanted it fairly hard.

We stayed at a good steady rate for a while then she pushed back harder and faster, so I let it all out and banged her for all I was worth.

I was rewarded with her cunt squeezing my cock hard as she came, but she kept the pace up all though.

We swapped to missionary position on the bed and again she controlled the pace. Soon we were up to speed again and I could feel my jizz boiling up for a second go!

I held it back as she came again. This time, I could see she was spent for a while so I pulled out and sprayed her with another helping of jizz!

The next morning we fucked again instead of having breakfast, agreed never to meet again and went our separate ways.

**EMMA**

Mmmmmmm, boobies! “The first thing that a guy’s eyes avert to our my boobs, and do you know what, I’ve actually got quite a pretty face and nice eyes too!” Emma says. “I understand why though because when I unleash these puppies from my bra all I want is a lubed up cock in between them! There’s no better feeling in the world than tit wanking a guy off and have him cum all over my face.”

See if you can guess what Lottie's favourite animal is? That's right – it's the butterfly, followed closely (we'd like to think) by the cock! So what's the deal? "Well what's not to love about butterflies? They're like flying flowers, aren't they? It's so beautiful watching them emerging from it's cocoon and fluttering around!" We know what you mean, just seeing you emerging from your clothes has set us a-flutter!

### Private Driver

Black stallion Joss Lescaf acts as the private driver for Victoria Pure, but Lescaf is up for a bit more than his jobs worth as these two kick off an interracial fuck fest, that's heavy on the oral, touches on anal and finishes off with a creampie in her shaven haven. So it looks like Victoria is not so pure after all. Another lady Lescaf likes to look after is Dominica Phoenix, and she seems more than happy with the arrangement as they rock the wheels of the car. We're not sure how Lescaf manages to keep his eyes on the road as Miss Phoenix pops his hard cock in her mouth before they stop off for some backseat action, that rates as the best scene in this film with good all-around action.
